ROSS BOLLETER'S RUINED PIANOS – LECTURE/RECITAL

WED 12 AUG 1PM

A 'ruined' piano is one that has been abandoned to all weathers with the result that few or none of its notes sound like that of an even-tempered 'uptight' piano. Ross Bolleter's improvisations on ruined pianos evoke the ghostly past lives and histories that lie sleeping within his dilapidated instruments.

MARGARET LENG TAN'S TOY PIANO – LECTURE/RECITAL

THUR 13 AUG 1PM

A 'toy' piano is a toy piano! Margaret Leng Tan has established herself as a major force within the American avant-garde as a highly visible, talented and visionary pianist. Tan favours music that confronts and defies the established boundaries of the piano and of her toy instruments.
